**Coach Concerns**

U19 coach concerned about a member of the board contacting potential players on his team and informing them that the team may not form. Most players and parents were in touch with the registrar via email and specifically asked for a coach because of what they heard from the member of the board. The team was allowed to register as a 7v7 option and will now be approved to move up to 11v11 due to the number of new players interested. A third-party board member will be contacting the parents of the players who were mentioned to have been called and informed the specific team would not form to make sure they are on the team they want to be on.

**Tournaments**

Need volunteers for parking. Will be open to all age groups. Need to aim for 4 teams in each age group. Will pay referees in cash to get more interested. Will need to meet with Roger.
