Return to Play Plan – Possible Revision

The community is upset about refunds and not being able to play. Looked at other clubs around the state of Oklahoma to see what other clubs were doing. Most giving an option for a partial refund or vouchers for the following seasons.

CLSC still must pay registration for each player registered whether games were played or not. Also, must pay player and club insurance premiums, mowing. Decision is unanimous in keeping the two options being the 50% voucher for Fall 2020 of Spring 2021 by opting in by May 31, 2020 or donating the refund to the club.

Fields are still open for teams to practice while maintaining the social distancing requirements as stated by the CDC and City/State government.

A letter to parents added to website to address some of the expenses that the club must pay regularly whether in season or not.
