Appeal of G&D Decision – Timothy Janssen is appealing the G&D decision of the 2nd game suspension. The center for the game came to tell his side of what happened on the field during that game. The center ref reported that the coach, Mr. Janssen did not say any foul language. He also mentioned the coach was upset about the other team slide tackling and a goal that was not called as such. Slide tackling is a legal play in this age group and they were contacted as all ball. The no goal happened because the ball did not cross over the entire line which the center ref verified with the AR. The coach kept aggressively yelling at him and he warned him with a yellow card. A second yellow card was issued for walking onto the field aggressively yelling and flailing his arms and saying “you’re going to card me so I’m going to keep walking”. Mr. Janssen came to share his side of what happened on the field during the game. He mentioned he kept asking the ref to make calls due to his players getting hurt from slide tackling, and that he did not know that slide tackling is a legal play in this age group. He also mentioned that at the time he knew he would be red carded he accepted it and walked onto the field after he was warned not to. Ryan made a motion to move to executive session at 6:45PM. Clark seconded, all in favor, moved to executive session. Ryan made a motion to move out of executive session at 7:04PM, Angela seconded, all in favor, moved out of executive session.
